STEP 2 - JOIN THE FORUM & DOWNLOAD THE SEMINARS

The CRT Apprentice Seminars (.pdf files) are available in the [TU Forum](#) in the private CRT area of the *Certified Tobacconists & Apprentices* section: you will have to register in the forums to get access. Remember, the seminars are intended to build professional perspective and act as a study aid. But, this is a self-guided curriculum and you can study at your own pace. If you do not want to use the internet site to study the curriculum, you can purchase a copy of [The Tobacconist Handbook](#).

THE FINAL EXAM

The final exam must be administered by TU or a TU Certified Tobacconist, such as CST who can bring a copy to you at a mutually agreed upon time. [CST](#) do this for free to help support you and your business. You can also take the final exam at the annual IPCPR convention or schedule with TU to take the exam in Princeton, NJ. If there are no CST in your area, please encourage your best sales reps to become certified!
